

Inter Register Club

About fifty years ago a handful of Clubs, each feeling too small to organise events individually, came together to jointly form the Inter- Register Club. This now caters for some ten Clubs , including our own, which each year promote a number of non- speed and not too serious events across the country. These include rallies, treasure hunts and driving tests, all these events being gentle and well suited to newcomers. A day at an Inter-Register event always provides a pleasant social gathering as well as some mild competition, and is an excellent way of using your car and dipping your toes into some motor sport.

Across the year points are scored both individually and on behalf of your Club, with credit given for turning out, as well as for doing well. As a Pre War Austin Seven member one automatically belongs to the I-RC, so it is hoped a good turn out of members might be seen in 2010 and especially at our own event in May.

The Inter-Register events for 2010 are as follows:-

Sat 17th April	Alvis Register.	Navigation rally and tour	West Sussex/ Hampshire
Sun 23rd May	Pre War A 7 Club	Scatter rally	Herefordshire
